MEMORANDUM FOR: Assistant for Operations, HPIC

SUBJECT : Requirement for HPIC Publications

1. An ELINT Coordination Center has recently been established by the Office of ELINT, DRR, to coordinate intelligence and ELINT operations for the Assistant Director for ELINT and the Deputy Director (Research).

2. This Center, located in 2825, will require immediate and current intelligence on an all source basis to fulfill its mission and functions. The attached list of publications, originated by HPIC, are requested for this Center. These documents should be delivered to the DRR Registry (3E13) for control and dissemination to the Center. One copy of each is required.

3. Appropriate security approval has been granted for storage of this specially classified material.
